COMMUNICATION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

On June 2, 2002 the attached documents concerning a Request for Change of Correspondence Address, Revocation of Prior Powers and Power of Attorney were submitted to the USPTO for filing in connection with US Patent Application No. 09/988,878. These papers were re-submitted on July 12, 2004 (see attached postcard with USPTO receipt date of July 15, 2004). However, the present application does not reflect the correct address for Correspondence, in fact the recent Notice of Allowance was mailed to the previous attorney of record, who has not been responsible for the case for several years.

Following discussion with both the Examiner for this case and a TC2600 Customer Service Representative this morning these documents are being resubmitting. We respectfully request that

the following documents are entered into record at USPTO and the request for correspondence address be amended as set forth in said documents.

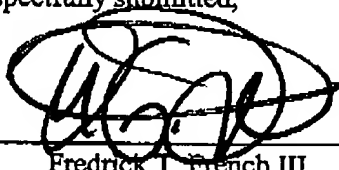

CONCLUSION

Please correspond to the address set forth below in the instant application.

Respectfully submitted,

Dated: October 22, 2004
